2am on Sunday 25th October

So it will be lighter in the mornings for a while...

Speeding traffic – Update

Suffolk Police undertook a covert traffic survey on Church Road for a 7-day period in August.

Approximately 3,500 vehicles passed the device during that week (this, of course, excluded traffic travelling from Mill Road and turning left into Hulver Road in both direction).

Overall, 35% of vehicles exceeded the 30mph speed limit.

Well done to the majority who are respecting the speed limit but for others, please SLOW DOWN

Please drive carefully through the village.
Respect all road users

Public footpaths

In the previous issue of this newsletter, it was noted that two permissive paths would be closed at the end of September. The two registered public footpaths connecting to these permissive paths will remain open to walkers: path 'FP 1' from Dairy Lane to Beccles Road and path 'FP 20' from the end of Church Road, along the hedge-line between the two fields and left through Mutford Big Wood. For the definitive map of all footpaths and bridleways in Mutford, go to:

Road closure –

A146, Waveney Bridge, Beccles

Suffolk Highways are planning to replace three bridge joints on Waveney Bridge on the A146, having replaced three other joints earlier this year.

This work will require a full closure (including cyclists) between the George Westwood Way roundabout, for 450m north westbound, across the River Waveney.

Traffic will be diverted via A146, A143, A47, A1117, A146 and vice versa.

The work is currently scheduled to take place between Monday 28th September 2020 and Saturday 3rd October 2020.

Coronavirus/ COVID-19

To protect yourself and others, when you leave home you must:

- **Wash hands.** Keep washing your hands regularly
- **Cover face.** Wear a face covering in enclosed spaces
- **Make space.** Stay at least 2 metres apart - or 1 metre with a face covering or other precautions

Do not leave home if you or anyone in your household has symptoms:

- a high temperature,
- a new continuous cough;
- a loss of, or change to, your sense of smell or taste.

For the latest changes, announced on 22nd September, including pubs & clubs closing by 10pm, and compulsory wearing of face masks for bar staff, shop workers, waiters and taxi drivers, go to

Neighbourhood Watch

If you would like to receive up-to-date information we have a Whatsapp group called Mutford Lanes. Please text Nigel on 07944 728900 if you would like to join.

The first virtual Neighbourhood Watch meeting is on Friday 16th October at 7pm. Please email nigel-parsons@live.co.uk if you would like an invitation.

Any concerns raised at this meeting will be included in the next issue of this newsletter.

Neighbourhood Watch: Darker nights ahead

Thefts increase by over a third (35%) in the months after the clocks go back, with November the most likely month for burglaries to take place.

As the nights grow darker, opportunities for burglars to easily spot unoccupied homes increases. With the sun setting earlier, many people are yet to arrive home when darkness falls, meaning the unoccupied homes are easily identified by the lack of lighting.

Home thefts between November and March are more likely to be via forced entry, in comparison to the summer months, when thefts are more likely to be opportunistic.

Throughout the year, thieves are most likely to make their move on a Friday. So with November the most common month for home break-ins, Fridays in November are the ones to watch.

Neighbourhood Watch recommends the WIDE approach. Properties (including outbuildings) using the WIDE security combination are nearly 50 times more protected from burglary than those with no security.
